2.8kw Open Frame Inverter Generator

Model No. 95204

List Price – £335.13

Trader Price

£299.95

This open frame inverter generator is powered by a 6.5HP 4-stroke petrol engine, fitted with a recoil start. It provides 230V AC and 5V DC power via USB. The inverter technology provides a pure sine wave AC output ensuring clean and stable power for running sensitive electric and electronic equipment such as laptops, microwave ovens, induction hobs and TVs. The 5 hour (100% load) continuous running time and strong frame makes this generator ideal for commercial environments, construction sites and equipment hire. Supplied with a spark plug wrench.

1000w Inverter Generator (1100w)

Model No. 95196

List Price – £298.15

Trader Price

£259.95

This powerful generator is light and compact, compared to traditional generators, and is fitted with a carry handle. The generator is powered by a 4-stroke petrol engine with an easy pull recoil start. It is quiet and runs continuously for 4.8 hours at 100% load. It includes pure sine wave inverter technology capable of providing clean and stable running of sensitive electrical and electronic equipment such as laptops, microwave ovens, induction hobs and TVs. The generator includes a 230V socket and 12V DC output. Supplied with 12V DC charging lead and basic toolkit.

Booster Cable Reel - 29mmx3.5m

Model No. 92700

List Price – £44.58
